

Information for those considering vocations as deacons

After consultation and prayerful consideration of needs, the Archdiocese has decided that the time has come to begin discernment for the Diaconate Formation Group of 2022.

The process begins with a series of ***"Information Nights"*** designed to explain the complete formation process.

The information nights are open to any inquirer and wife (if married) who expresses an interest in the ministry of deacon. Participation in one of these evening sessions will allow us to ascertain eligibility to enter into the more formalized ***"Inquiry - Discernment Gatherings"*** that may lead to an application for entrance into the Aspirancy Path of formation.

Attendance at only one (1) of the gatherings listed below is required for consideration to enter the process of Inquiry - Discernment.

Session A Wednesday, January 25 – 6:30 PM

Corpus-Christi Epiphany Center – 2022 St. Bernard Avenue, New Orleans
